

**PHARMAESSENTIA TO HOST INVESTOR DAY IN NEW YORK CITY
ON NOVEMBER 30, 2022**

Event will feature presentations from community opinion leaders and PharmaEssentia's senior leadership team

November 21, 2022, Burlington, Mass. – [PharmaEssentia USA Corporation \(PEC USA\)](#), a subsidiary of PharmaEssentia Corporation (TPEX:6446), a global biopharmaceutical innovator leveraging deep expertise and proven scientific principles to deliver new biologics in hematology and oncology, announced that it will host an Investor Day on Wednesday, November 30, 2022, 8:00 - 10:30 a.m. ET, at Convene (101 Park Avenue) in New York City.

The event will include a detailed discussion on the impact of BESREMi (ropeginterferon alfa-2b-njft) in polycythemia vera (PV), its market opportunity and the Company's future-focused scientific strategy. In addition, key community leaders, including *Srdan Verstovsek, M.D., Ph.D., MD Anderson Cancer Center* and *Ann Mullally, M.D., Brigham and Women's Hospital / Dana-Farber Cancer Institute*, will share their perspectives on the evolving treatment paradigm in PV and scientific momentum in comprehensive care for myeloproliferative neoplasms (MPN). Formal presentations will be followed by a Q&A session.

To attend the event in person or virtually, please [click here](#) for registration. A live webcast and replay of the event will be available on the PharmaEssentia USA website at <https://us.pharmaessentia.com/>.
